

Alonso Melero

My father Sergi Melero is dying, the Melero estate is in disrepair, his land grant is contested by everyone, especially by our neighbors. This is our home and I will protect it and see it prosper, with words or with steel, for family and for the ones under our protection.

- My father Sergi Melero is dying 1
- This is our home and I will protect it and see it prosper 1
- With words 2
- With steel 1
- For family 0
- For the ones under our protection 1
