STATION F

**CONTACT REPORT REFERRED FOR ANALYSIS**

01-03-1967

UK Diplomatic Attache, Paris Embassy, referred message to STATION F number two. Attache found message in sleeve of phono record slipped into his coat pocket. Message was written on half a page of a technical drawing. Message claimed to be from one Noah Wieser, who wrote:

"I offer plans for a revolutionary detection system. I wish asylum in the UK.

"Contact before 15th day of month. Bring phonodisc to Crocodisc. Claim that it is defective and ask for replacement. Follow the instructions."

Technical drawing forwarded by diplomatic pouch this date for analysis.
