backstory!

→ one of them cited the alignment of the other

① the two end priests + whole load of victims especially horrible statue
→ they just shovelled up
ultimately encapsulated by rare Church cooperation

Vithkurias
Lohan

② This one could really write the larvae, or rather, Shesvar does, having discovered that they exist
& review the other missions, both of which were nothing exceptional to occur here

A other → concerning to cast Atoneement to rescue
Lohan's soul (or whatever it is)

now, what's up with Hazel?

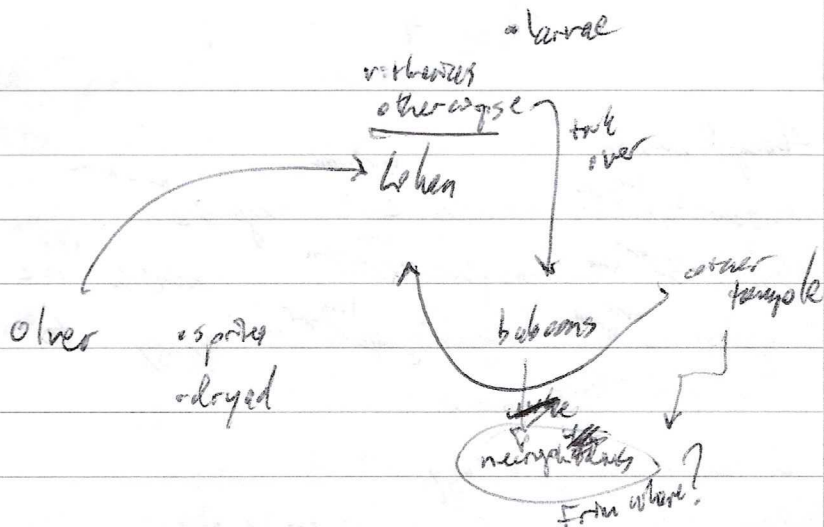

urban dryads → only 1

ACQ, 12¹², 2 h. dice

1 attack (dagger), charm, dagger / dimension door

max 2 resistance 50% 6 gp, 4 gp
→ totally in her "tree"

the poor drunk + the harlot + the dryad the tree!

* Alexian + ~~Oliver~~

↳ no neurophysiology, necessary re-con

hold person + quest
 → how to build
 → run money and
 go

* specific gov'd into for Victorias
 all bookkeeping really.

→ some think is a distorted
 down mirror?
 read better strategy
 stuff?

* Hazel's mom - what the hell, how or less?

↳ could be Lehen

✓
 really back now
