Horc · old remains upstairs → Force & the Fairy; Varkush & the Firgsheg = a metaphysical reality of some kind
– baboons threw it decayed flesh → start to take Lorbo to it

Alexian · the baboons like him → presents, offerings
marked signal for communication, smuggles are being a problem later last night

Hazel · trap semicircle triggered · pit, 10' deep, 3-6 to Fellin snake → released
Phethean of the Black Mist → her bed [disturbed]
★ the philter ↳ interested sees opportunity

Robert · Vasth is alive, barely; healed with medical Ordination
Mograr Shush + colleagues; Marrow Suckers → speak basic CES
later [city guard comes looking for him [plus a bill]] Caddan Void tips

Marden · Loormax! mean old piece of work
