

concrete Markon Kraus + goblins + two arenas place
 so much beautiful Civil in 1 spot
 tie to lead into!

intrinsiz Alexion Dusk + quantum / Robert + Hore
 more or less Mila ; maybe center is
 → needs NPCs + socializing circling around

and in Hazel 1. w/ Conardson, and even inventory trouble
 2. seek Mila's patronage

hally wings! under haximus's place → dominated somehow
only 10... awww...

hp 8 (automatic), X, X, X, X, 2, 3, 4, 1

AC 6 [4 for each] hp + constant life

~~308~~ 308 gp each, 306 sp each, 28 gp each

lv: 20 gems, no magic

revised: 40 gems in haximus's place

oh wait -
he haximus?

haximus - spongy eye mage in a haxith beard
fit pretty well: AC 4, hp 17, damage lvl 2

fly, darkness 1", invisible, polymorph to human,
regenerate 1/round

1x clay: charm person, sleep, assume gaseous form,
ray of will 306 (ouch)

so perfect: entry up + through the bathroom the horse
really nice haxith style declination after

who: 4 magic, 1 ^{protection from magic} scroll, 6000 gp, 4000 sp, 9 jewelry, 5 potions

e lair: silence, spell-harmism, giant control, heroism, water-breathing

scroll 4/3 spells, lv 3, plate mail 41, potion fire resistance, potion healing

Robert + Hore: NPCs and socializing

→ Jufiya has been thinking things over

→ rescued supplicants

→ a "neutral demon" ... whose most-likely choices are begins
because so many excellent writers

death dogs seem like they make excellent coats...

5-50?! 22 if so

↳ but Milla isn't a dark assault

& annihilation, she wants to flaming

tricky - how stumbling over hunted Evil

* Hentzen, Willibrod, Andica, Gunza, Belba, Rotrude

Pasco, Reginard, Folco

→ "peace frog?"

possibly a more coiled dragon (~~big thing~~) again, ^{him}
Froggy!

OK - they were hoping to influence the Center - so frog ≠ Center thing

lead in there & see what they can do

* subdued rules but nice version

↳ always w/Alexian looking in
