

insurer's operations in Porteus

★ order in Nather serving the Overlord's Secret Police

• obviously, shut down enchanters in Trench

★ aided & abetted by herbalist commune

• totally fooled by him, think he's a nice dope

peddler, helped him vs. Undergrip because he's bootlegging

their good stuff (they think)

did totally get away with it & regroup, caught that Rhene has a way to detect him.

→ already working on it  
SHD not put on this
