Uses sonar/vibration, vocalizations are harmonically precise; strong personality, must want or value something; incredibly perceptive and analytical; dexterity presumably applies to tail and coordination with jaws/etc

Armor: hide, B1 E2 P1 F3 S0 T2

Elasticity, Noise, Hypnotic (a subset of Noise), Stealth 54, Prescience 63 (Index 6)

Big and sturdy, but not particularly strong, anticipates situations psionically, judgmental enough to consider assault/murder, or rescue, as well as feeding, stalks prey, very patient, understands context and risks, settles in safe hiding spot, softens it up with Noise, finishes with Hypnotic, then coils it in and bites to kill, tail/wing hits are for emergencies

This one specifically: 126" (3+ m) long
