

Summer

→ 2 weeks in boat,

• outsiders: threat! ignore boats as (the guns)

project: make house for Keller + secure boats

• mineral security crisis - project to fix it, 6 weeks

mineral weapons ready + find Keller + ~~find~~ system upriver

dinner new (dinner) : Fred, Wilmer receive Keller

→ very difficult, ^{many} ^{complex} ^{work}

• (7) happens in the mines, indicating worse

had suspicion: (strangely) report more boats [4 hrs + time]

• contingent (Wilmer) damage boats ^{outsiders} ^{project}

project: tribunal 3 weeks → damage Fred, Wilmer

• project Fido: new shelter by mines

new situation: storm night here in community

• distressed animal: Jessica ^{is captured} from prison by the "bad" one

project: rebuild + improve shelter

• mobilize "open" defense / ambush readiness ← new 3 weeks ups base

• (tribunal finishes + executions)

• project: star/fix boats 3 weeks

• base project concludes early (dismineral finally, see)

situation: boats spotted at shore

• eldest ~~and~~ (Daniel) dies while training patrols

situation: behind waterfall is a cave ^{by lightning by wreck}

autumn

- disease spreads → ↓ health & security

project: health! must figure it out

- fish harvest

discussion: quarantine Juvies?

+ 2 weeks

shelters at least!

- community obsessed w/ single project: illness

project: explore cave 3 weeks

- cave project → ~~construction~~ ^{construction} → scavenger

project: develop water power 2 weeks

- natural disaster: like earthquakes, periodic refugee → common destruction

~~drawn~~ ✗ ✗ pull together, some etc

here

project: offensive to ward capture island

- Jessica subdues ^{military} boat project → imprisoned

military boat completed

cave? nuke plant! looking...

dilemma: this is reduction sickness. ^{drinking water} → scarce

- warning: nuke plant, fix it (project) 6 weeks

discussion: Jessica's fate → prove herself in island assault

- Vira dies → grim red sickness

summit! coastal attack at lighthouse, repelled but scars

- ^{explor} discover rugged island → discover livestock, ^{resources to wild} conference

assault island → secure it using coastal intel

most Jessica tribe is gone - eaten

project: secure that island 4 weeks
